

COURSE NAME Dry Suit Diver

CERTIFICATION AGENCY PADI

PROGRAM #RST.118

MINIMUM AGE 10

COURSE FEE \$150

Wanna stay warm and toasty on a dive? Then dive dry. Yes! Unlike a wetsuit, a dry suit seals you off from the outside water and that keeps you warm! Even in surprisingly cold water. Dry suits let you dive more challenging dive sites, and extend your dive season. When you have the right cold water scuba diving attire, you can stand up to the elements and take advantage of the generally better visibility offered by winter months — especially at inland dive sites such as quarries, lakes, sinkholes and caves etc. As a dry suit diver, you're equipped to scuba dive some of the world's most incredible dive sites in the cooler regions that are best enjoyed in a dry suit even in the warmer months.

Course Name/Certification Offered

PADI Dry Suit Diver

Student Prerequisite(s)

Open Water Diver or Equivalent

Class Session(s)

1 [3 hours]

1 [1 Hour Fitting Session]

Confined Water Sessions

1

Open Water Dives

2

Breathing Gas(es)

Primary Air, EAN to 40%,
