

Key Largo Reefs & Wrecks

Indian Valley Scuba's 'signature' Florida Keys experience. This trip is offered multiple times throughout the year. Call the shop for dates.

THE LODGING

Ocean Point Suites is located right on the ocean in the sunny Florida Keys at mile marker 92 in Key Largo, offers luxurious two-bedroom villas. The units are fully equipped with kitchens and are air conditioned, have ceiling fans, and cable television. Ocean Point Suites surrounds it's guests in the seclusion of a Caribbean plantation, yet offers all of Key Largo's colorful artisan centers, fine waterfront restaurants, and tiki bars. Additionally, it offers a great pool, hot tub and a sandy beach!

THE DIVING

Located just 2 miles away from your room is Florida Keys Dive Center. The superb service and knowledge of the diving staff as well as the central location to the diving of Key Largo make this operator our Number #1 choice for our Indian Valley Scuba divers. Key Largo Marine Sanctuary and John Pennekamp Coral Reef Park are areas dedicated to protection and preservation which makes the diving an experience not to forget. No fishing or hunting is allowed within the parks which makes the fish more apt to explore right along side of you. These gems of the sea include enchanting schools of friendly fish, delicate soft sponges, and massive colonies of vibrantly colored coral. Water depths over the coral reef vary from 10 to 45 feet. Water temperature will vary by season with lows of 75 degrees to a high of 87 degrees with visibility ranging as high as 75 to 100 feet or more. In addition to the reef diving, our itinerary will include the spectacular wrecks of the Duane, Spiegel Grove, Benwood and other wrecks which, as artificial reefs, have added to the thriving undersea life. Depths of these wrecks can range from 50 to 120 feet which can accommodate divers of all certification levels.

For Open Water students we enjoy our first two morning dives at Jules Undersea Lodge, site of America's only underwater hotel. Once our skills are perfected and our comfort levels are up, we head out to the reef with Amoray and begin to explore the very reason we decided to learn to dive in the first place. Already certified divers begin their dives at Amoray or are welcome to join us at the lagoon.

In addition to the reefs and wrecks, we also enjoy include a few other special features in our Florida trips. Not to be left out are the eagerly anticipated night dives to either the Benwood or City of Washington wrecks which are both actual shipwrecks with a colorful history behind each one. The nightlife, illuminated by your powerful flashlight is not to be missed. It's a whole different world down there after dark! Each trip varies slightly and our divers may be treated to such opportunities such as Drift dives or a Creature Feature dive.

❖ “...Deliberately Different...” ❖

Indian Valley Travel is a 501(c)(3) nonprofit organization. A portion of the proceeds from our trips, as well as any individual participant donations, serves to benefit the communities we visit, as well as the adaptive adventure projects of IAHD-Americas [www.IAHD-Americas.org].

IVT offers a “deliberately different” approach to travel - a chance for travelers and adventurers of every level of ability and interest to experience fantastic journeys around the globe, both on the land and below the water.

Our mission is twofold. First, is to constantly seek out new and exciting destinations to visit and build trips that combine adventure and value for the discerning traveler. Second, and perhaps of even greater significance to the locations we visit,

is our ‘IVT Community Goodwill & Give Back’ practice. For every destination, IVT has chosen a local charity, benefit or environmental cause that will receive a direct donation from IVT, on behalf of our travelers. Additionally, information on the charity is made available to each participant on the trip, who may choose to personally become more involved with the chosen charity in a way that will directly benefit their mission.

This multi-faceted focus of our programs, the variety of exciting destinations, and the value we package into our adventures, offer parallel paths towards the attainment of your travel goals while supporting our mission statement, assuring every participant a chance to play a key role in making a contribution to the world we share. Thank you for choosing Indian Valley Travel!
