

St. Lawrence Seaway

Sept 25-27, 2020

While many of Indian Valley Scuba's trips are headed south, we can't forget that Captains have been wrecking ships along our Canadian border for the past 400 years!

THE LODGING

We'll be staying in one of Alexandria Bay's scenic waterfront resort hotels, located within a few minutes walk of downtown, and a few short miles from the boat launch and Hunt's Dive Center. Each double occupancy room offers two beds, plenty of space, and outside seating & gathering areas. We often gather to barbecue after a good day of diving right there along the river; a perfect way to wrap up a good day with friends, food & libations.

Optionally, you can walk downtown and visit one of the many establishments offering good food at reasonable prices, and there are plenty of live music venues to choose from also. A-Bay is a pretty hip town, and there's a lot more to do there than just dive.

In fact, many will extend their stay in the area, and visit some of the local wineries, tour Boldt Castle on the river, or take in any of the plentiful attractions that the A-Bay region is known for.

THE DIVING

Located within minutes of your room is the region's oldest, and still the best, dive operator - Hunts Diving Services. Our dive boat offers a drop-front ramp for easy entry and exit, along with a conventional side ladder, and more deck room than any dive boat you've been on.

Conditions depending, our sites often include the sailing ship Vickery, steel-hulled steamer Keystorm, and the drilling barge America. Each of these sites are unique in themselves, and all are testaments to the hazards of navigating the St. Lawrence Seaway. Depths are in the 50 to 110 ft range, while the river continues down to 300+ feet deep in the channel;. Visibility varies, but is generally quite good. Water temps range from the mid 50's early in the season to the mid 70's in the fall, with zero thermocline, so you are comfortable all the way down.

Indian Valley Scuba has a ton of experience working with Hunt's and diving the river, so you're assured an awesome experience.

TRAVELING WITH A PURPOSE!

In keeping with our mission of 'Community Goodwill & Giveback', Indian Valley Scuba & Travel have selected deserving beneficiaries in the area. A charitable donation is made on behalf of our travelers to one of the organizations each time we visit. We have chosen SOS - Save Ontario's Shipwrecks, as our charity on these trips.

INDIAN VALLEY TRAVEL

❖ A *"Deliberately Different" Approach To Travel* ❖

Indian Valley Travel is a 501(c)(3) nonprofit organization. A portion of the proceeds from our trips, as well as any individual participant donations, serves to benefit the communities we visit, as well as the adaptive adventure projects of IAHD-Americas [www.IAHD-Americas.org].

IVT offers a "deliberately different" approach to travel - a chance for travelers and adventurers of every level of ability and interest to experience fantastic journeys around the globe, both on the land and below the water.

Our mission is twofold. First, is to constantly seek out new and exciting destinations to visit and build trips that combine adventure and value for the discerning traveler. Second, and perhaps of even greater significance to the locations we visit, is our 'IVT Community Goodwill & Give Back' practice. For every destination,

IVT has chosen a local charity, benefit or environmental cause that will receive a direct donation from IVT, on behalf of our travelers. Additionally, information on the charity is made available to each participant on the trip, who may choose to personally become more involved with the chosen charity in a way that will directly benefit their mission.

This multi-faceted focus of our programs, the variety of exciting destinations, and the value we package into our adventures, offer parallel paths towards the attainment of your travel goals while supporting our mission statement, assuring every participant a chance to play a key role in making a contribution to the world we share. Thank you for choosing Indian Valley Travel!
